

# ASUS X515

Easy portability. Effortless productivity.

One of the world's smallest all-rounder 15-inch laptops

Whether for work or play, ASUS X515 is the entry-level laptop that delivers powerful performance and immersive visuals. Its NanoEdge display boasts wide 178° viewing angles and a matte anti-glare coating for a truly engaging experience. Inside, it's powered by up to an Intel® Core™ processor. A dual-storage design with up to a 1 TB PCIe® SSD and a 1 TB HDD gives you the perfect combination of large storage capacity and fast data read / write speeds.
