

ASUS VivoBook Flip 12

Always ready. Always in hand.

The ASUS VivoBook Flip 12 is designed to be thinner, lighter, more functional, and more intuitive than ever before. The robust 360°, twin-gear metal hinge on this convertible laptop gives you the freedom to organize your life the way you want. Do your work in Laptop mode, then flip into Tent mode and share ideas with colleagues. Or create your own personal movie theatre with Stand mode.
