ThinkBook 15 Gen2 ITL

Prime yourself for remote work

Propel your business forward with the 15.6" Lenovo ThinkBook 15 Gen 2. This powerful laptop sports up to a cutting-edge 11th Gen Intel® Core™ processor and offers a range of robust storage and memory options. Smart features include optimized conferencing for seamless remote work. Conference anywhere, and never lose your earbuds again.

Streamlined & stylish

The Lenovo ThinkBook 15 Gen 2 laptop lets you and your employees stand out, thanks to its elegant, professional dual-tone design. Its sleek bezels deliver an 88% screen-to-body ratio. And at just 18.9mm and 1.7kg, it's thin and light enough to take anywhere.

Smarter teleconferencing

The Lenovo ThinkBook 15 Gen 2 helps you slash through the hassles and inconveniences associated with remote work. The small drawer, housed within the ThinkBook 15 itself, contains a pair of bespoke earbuds with dual-array mics and AI-based noise cancellation. Conference anywhere—you'll always have your earbuds handy

Secure, safe & smart

The Lenovo ThinkBook 15 Gen 2 laptop keeps your business data—and your personal privacy—safe. Hardware and firmware features like Trusted Platform Module (TPM), self-healing BIOS, I/O port access control, secure wipe, and more. A webcam privacy shutter lets you physically block the camera when you're not using it.
