

More from the Pro
you know

A 2-in-1 for all the ways you work

Surface Pro 7 for Business is more powerful with the latest 10th Gen Intel® Core™ processor while still offering all-day battery life. It holds a charge longer in standby and enables new Fast Charging to quickly power you up.¹ And now with USB-C™, you have more flexibility to connect to displays, docking stations, and more, plus charge your accessories.

Now with USB-C™ port

All-day battery life up to 10.5 hours¹, plus Fast Charging and Instant On

Latest 10th Gen Intel® Core™ processor

Up to 16GB RAM and 1TB storage²
