## X1 Carbon Gen9

### POWER & PORTABILITY IN A PREMIUM PACKAGE

- The 35.5cms (14) ThinkPad X1 Carbon Gen 9 laptop rolls out a host of new features that add convenience, improve technology, and enrich your experience—all while retaining an ultrathin and ultralight chassis.
- You'll discover an impressive 16:10 display, a wider TouchPad, a larger battery for more time unplugged, and rear ventilation to improve efficiency. Plus, with the Intel® Evo® platform, you get a super-responsive device that's ready whenever you need it.

## Vibrant visuals easy on the eyes

The ThinkPad X1 Carbon Gen 9 laptop features a refined 16:10 display with narrow bezels and a rich, high-resolution screen. Choose the UHD+ panel with Dolby Vision™ to improve your viewing experience. Powerful Intel® Iris™ Xe graphics render amazing picture clarity and color accuracy—whether you're video-conferencing, browsing, or watching media.

## Future-proof

The ThinkPad X1 Carbon Gen 9 laptop offers a true smartphone-like experience in an always-connected PC. Speedy WiFi 6 lets you jump on crowded public platforms fast while avoiding lag-time and buffering. And with the optional 4G / 5G WWAN\*, you can enjoy faster, more secure access to your network and uninterrupted video streaming. Stay connected to what matters most, no matter where you are.
