Entry-level device with powerful performance

## Built to perform

- When it comes to business laptops, an entry-level device needs to be able to handle more than just entry-level tasks.
- That's where the second generation of the ThinkPad L14 fits in.
- This highly portable device delivers powerful performance with 11th Gen Intel® Core™ vPro® processors, optional NVIDIA discrete graphics, and fast memory. Plus, productivity features like Modern Standby and Rapid Charge technology mean it's ready to roll when you are.
