

ThinkPad T490s

The laptop for workdays, work nights, & weekends

With a starting weight of just 1.55 kg, the ThinkPad T490s is perfect for portability – a must-have for any busy professional. An amazing viewing experience, thanks to a new narrow bezel design. Longer battery life and optional global LTE-A connectivity make this the preferred laptop for serious business professionals.

Dazzle yourself & others

Combine with optional discrete graphics, the ThinkPad T490s is perfect for working with multimedia. No matter which display you choose, the ThinkPad T490s features a new narrower bezel design for a sleeker design and more productive workday.
